I jumped in the river, what did I see? 1 - 2b - 3b - 2b - 1
Black-eyed angels swam with me 1m - 7b - 2b
A moon full of stars and astral cars ...
And all the figures I used to see

All my lovers were there with me
All my past and futures
And we all went to heaven in a little row boat
There was nothing to fear and nothing to doubt

I jumped into the river
Black-eyed angels swam with me
A moon full of stars and astral cars
And all the figures I used to see

All my lovers were there with me
All my past and futures
And we all went to heaven in a little row boat
There was nothing to fear, nothing to doubt
There was nothing to fear, nothing to doubt
There was nothing to fear, nothing to doubt

Do it Again (Steely Dan) 135bpm Root @ 6

In the mornin' you go gunnin' 6m – 6m+7b,9
for the man who stole your water
And you fire till he is done in
but they catch you at the border
And the mourners are all singin'
as they drag you by your feet
But the hangman isn't hangin'
and they put you on the street

You go back, Jack, do it again, 2m – 3m – 4 – 5+7b,9
wheels turnin' 'round and 'round 6m – 6m+7b,9
You go back, Jack, do it again 6m – 6m+7b,9

When you know she's no high climber
then you find your only friend
In a room with your two timer,
and you're sure you're near the end
Then you love a little wild one,
and she brings you only sorrow
All the time you know she's smilin';
you'll be on your knees tomorrow

You go back, Jack, do it again,
wheels turnin' 'round and 'round
You go back, Jack, do it again

Now you swear and kick and beg us
that you're not a gamblin' man;
Then you find you're back in Vegas
with a handle in your hand
Your black cards can make you money
so you hide them when you're able
In the land of milk and honey
you must put them
on the table, yeah

You go back, Jack, do it again,
wheels turnin' 'round and 'round (x4)

Angel From Montgomery

I am an old woman named after my mother 1 – 4 – 1 – 4
My old man is another child that's grown old 1 – 4 – 5 – 1 – 4
If dreams were lightning thunder was desire 1 – 4 – 1 – 4
This old house would have burnt down a long time ago 1 – 4 – 5 – 1

Make me an angel that flies from Montgom'ry 1 – 7b – 4 – 1 – 4
Make me a poster of an old rodeo 1 – 7b – 4 (-3b)
Just give me one thing that I can hold on to 1 – 7b – 4 – 1 – 4
To believe in this living is just a hard way to go 1 – 4 – 5 – 1
1 – 4 – 1 – 4

When I was a young girl well, I had me a cowboy
He weren't much to look at, just free rambling man
But that was a long time and no matter how I try
The years just flow by like a broken down dam.

Make me an angel that flies from Montgom'ry
Make me a poster of an old rodeo
Just give me one thing that I can hold on to
To believe in this living is just a hard way to go

There's flies in the kitchen I can hear 'em there buzzing
And I ain't done nothing since I woke up today.
How the hell can a person go to work in the morning
And come home in the evening and have nothing to say.

Make me an angel that flies from Montgom'ry
Make me a poster of an old rodeo
Just give me one thing that I can hold on to
To believe in this living is just a hard way to go

Free Fallin' (Tom Petty)

She's a good girl, loves her mama 1 – 4 – 1 – 5
Loves Jesus and America too
She's a good girl, crazy 'bout Elvis
Loves horses and her boyfriend too

It's a long day livin' in Reseda
There's a freeway runnin' through the yard
And I'm a bad boy, 'cause I don't even miss her
I'm a bad boy for breakin' her heart

And I'm free, free fallin'
Yeah I'm free, free fallin'

All the vampires walkin' through the valley
Move west down Ventura Blvd.
And all the bad boys are standing in the shadows
All the good girls are home with broken hearts

And I'm free, free fallin'
Yeah I'm free, free fallin'

Free fallin', now I'm free fallin'
Now I'm,
Free fallin', now I'm free fallin'

And I'm free, free fallin'
Yeah I'm free, free fallin'

I wanna glide down over Mulholland
I wanna write her name in the sky
I'm gonna free fall out into nothin'
Gonna leave this world for awhile

And I'm free, free fallin'
Yeah I'm free, free fallin'
Yeah I'm free, free fallin'
Oh! Free fallin'
Now I'm free
Oh!
Free fallin'

Message in a Bottle (Police)

Just a castaway 6m – 4 – 5 – 2

More loneliness
Than any man could bear
Rescue me before I fall into despair

Message in a bottle (2x) 6m – 4 – 3m
2

A year has passed since I wrote my note
But I should have known this right from the start
Only hope can keep me together
Love can mend your life
But love can break your heart

I'll send an SOS to the world
I'll send an SOS to the world
I hope that someone gets my
Message in a bottle

Walked out this morning
Don't believe what I saw
A hundred billion bottles
Washed up on the shore
Seems I'm not alone at being alone
A hundred billion castaways
Looking for a home

I'll send an SOS to the world
I'll send an SOS to the world
I hope that someone gets my
Message in a bottle
Sending out an SOS

Stand By Me

[Intro]

[Verse 1]

When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid, no I won't be afraid
Just as long as you stand, stand by me

[Chorus]

So darlin', darlin', stand by me, oh now now stand by me
Stand stand by me, stand by me

[Verse 2]

If the sky that we look upon
Should tumble and fall
And the mountains should crumble to the sea
I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me

[Chorus]

And darlin', darlin', stand by me, oh now now
Stand by me
Stand by stand by me stand by me

Darlin', darlin', stand by me, stand by me
Stand by me stand by me stand by me

[Bridge]

Whenever you're in trouble won't you stand by me, oh now now stand by me
Oh stand by me, stand by me, stand by me

Darlin', darlin', stand by me, stand by me
Oh stand by me, stand by me, stand by me

Smells like Teen Spirit

Load up on guns
Bring your friends
It's fun to lose and to pretend
She's overboard, self assured
Oh no I know, a dirty word
Hello, hello, hello, how low [x3]
Hello, hello, hello

With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mulatto, an Albino
A mosquito, my libido, yeah - Hey, yay

I'm worse at what I do best
And for this gift, I feel blessed
Our little group has always been
And always will until the end
Hello, hello, hello, how low [x3]
Hello, hello, hello

With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mulatto, an Albino
A mosquito, my libido, yeah - Hey, yay
And I forget just why I taste

Oh yeah, I guess it makes me smile
I found it hard, it was hard to find
Oh well, whatever, nevermind
Hello, hello, hello, how low [x3]
Hello, hello, hello

With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mulatto, an Albino
A mosquito, my libido
A denial, A denial, A denial, A denial, A denial
A denial, A denial, A denial, A denial

More than words

Saying I love you 1 – 1/3 – 4
Is not the words I want to hear from you 2m – 4 – 5
It's not that I want you 1 – 1/3 – 4
Not to say, but if you only knew 2m – 4 – 5 – 6m
How easy it would be to show me how you feel 2m – 5 – 1 – 7m – 6m
More than words is all you have to do to make it real 4 – 5 – 1 – 7m – 6m
Then you wouldn't have to say that you love me 4
'Cause I'd already know 5 – 5sus4 - 1

What would you do if my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say if I took those words away
Then you couldn't make things new
Just by saying I love you

More than words
La di da, da di da, di dai dai da

Now I've tried to talk to you and make you understand
All you have to do is close your eyes
And just reach out your hands and touch me
Hold me close don't ever let me go
More than words is all I ever needed you to show
Then you wouldn't have to say that you love me
'Cause I'd already know

What would you do if my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say if I took those words away
Then you couldn't make things new
Just by saying I love you

La di da, da di da, di dai dai da
More than words

Wicked Game

The world was on fire and no one could save me but you 5m – 4 – 1

Horse with no name (America) 61/LC Capo@4 / notated@0

On the first part of the journey 1m – 2m – 7b
I was looking at all the life ...
There were plants and birds and rocks and things
There was sand and hills and rings

The first thing I met was a fly with a buzz
And the sky --- with no clouds
The heat was hot and the ground was dry
But the air was full of sound 1m

I've been through the desert on a horse with no name 1m – 7b – 4/5 – 4/7b
*It felt **good** to be out of the rain* ...
In the desert you can remember your name
'Cause there ain't no one for to give you no pain
La, la

After two days in the desert sun
My skin began to turn red
After three days in the desert fun
I was looking at a river bed
And the story it told of a river that flowed
Made me sad to think it was dead 1m

You see I've been through the desert on a horse with no name
*It felt **good** to be out of the rain*
In the desert you can remember your name
'Cause there ain't no one for to give you no pain
La, la

After nine days I let the horse run free
'Cause the desert had turned to sea
There were plants and birds and rocks and things
there was sand and hills and rings

The ocean is a desert with its life underground (p)
And a perfect disguise above
Under the cities lies a heart made of ground
But the humans will give no love 1m (ppp)

You see I've been through the desert on a horse with no name
*It felt **good** to be out of the rain*
In the desert you can remember your name
'Cause there ain't no one for to give you no pain

Oh, oh, there's a solution

I want to fly like an eagle, To the sea
Fly like an eagle, Let my spirit carry me
I want to fly like an eagle, 'Till I'm free
Fly through the revolution

Rick Springfield - Jessie's Girl

Jessie is a friend, yeah 1 – 5 – 6m
I know he's been a good friend of mine 4 – 5 – 1
But lately something's changed that ain't hard to define
Jessie's got himself a girl and I want to make her mine

And she's watching him with those eyes
And she's loving him with that body, I just know it
Yeah 'n' he's holding her in his arms late, late at night
You know 5
I wish that I had Jessie's girl 5 – 1 - 5 – 6m – 5 – 6m
I wish that I had Jessie's girl 5 – 1 - 5 – 6m – 5 – 6m
Where can I find a woman like that 4 – 5 – 1 – 6m – 5

I play along with the charade
There doesn't seem to be a reason to change
You know, I feel so dirty when they start talking cute
I wanna tell her that I love her
But the point is probably moot
'Cause she's watching him with those eyes
And she's loving him with that body, I just know it
And he's holding her in his arms late, late at night
You know
I wish that I had Jessie's girl
I wish that I had Jessie's girl
Where can I find a woman like that
Like Jessie's girl
I wish that I had Jessie's girl
Where can I find a woman
Where can I find a woman like that
And I'm looking in the mirror all the time 4 – 5 – 1
Wondering what she don't see in me 4 – 5
I've been funny, I've been cool with the lines
Ain't that the way love supposed to be 4 – 1 – 5
Tell me, where can I find a woman like that
You know, I wish that I had Jessie's girl
I wish that I had Jessie's girl
I want Jessie's girl
Where can I find a woman like that
Like Jessie's girl
I wish that I had Jessie's girl
I want, I want Jessie's girl

Faith (George Michael)

Well I guess it would be nice, If I could touch your body 1
I know not everybody, Has got a body like you, uhh 4 – 1
But I've got to think twice, Before I give my heart away 1
And I know all the games you play, Because I play them too 4 – 1

Oh but I Need some time off from that emotion 4 – 1
Time to pick my heart up off the floor 4 – 1 – 1/2 – 1/3
Oh when that love comes down, With-out devotion 4 – 1 – 7m - 6m
Well it **takes** a strong man, baby, But I'm ^ **showing** you the door 4 – 5

'Cause I gotta have faith 1

Say please x3, don't go away, You say I'm giving you the blues 4 – 1
Maybe, You mean ^ every word you say 1
Can't help but **think** of yesterday, And another who **tied** me down to lover boy rules 4 – 1

Before this river, Becomes an ocean
Before you throw my heart back on the floor 4 – 1
Oh baby I reconsider, My foolish notion 4 – 1 – 1/2 – 1/3
Well I need someone to hold me, But I wait for something more 4 – 1 – 7m - 6m

Sitting on Dock of the Bay

Sittin' in the mornin' sun 1 – 3
 I'll be sittin' when the evenin' come 4 – 3 – 3b – 2
 Watching the ships roll in 1 – 3
 And then I watch 'em roll away again, yeah 4 – 3 – 3b – 2

 Watching the tide roll away 1 – 6m
 Ooo, I'm just sittin' on the dock of the bay 1 – 2
 Wastin' time 1 – 6m

I left my home in Georgia 1 – 3
 Headed for the 'Frisco bay 4 – 3 – 3b – 2
 Cause I've had nothing to live for 1 – 3

 So I'm just gon' sit on the dock of the bay 1 – 6m
 Watching the tide roll away 1 – 6m
 Ooo, I'm sittin' on the dock of the bay 1 – 2
 Wastin' time 1 – 6m

Look like nothing's gonna change 1 – 5 – 4
 Everything still remains the same 1 – 5 – 4
 I can't do what ten people tell me to do 1 – 5 – 4 – 1
 So I guess I'll remain the same, yes 7b – 5

Sittin' here resting my bones 1 – 3
 And this loneliness won't leave me alone 4 – 3 – 3b – 2
 It's two thousand miles I roamed 1 – 3
 Just to make this dock my home 4 – 3 – 3b – 2
 Now, I'm just gonna sit at the dock of the bay 1 – 6m
 Watching the tide roll away 1 – 6m
 Oooo-wee, sittin' on the dock of the bay 1 – 2

I'm still Standing

	1m
You could never know what it's like	1 – 4
Your blood like winter freezes just like ice	5 – 1
And there's a cold lonely light that shines from you	2m – 5
You'll wind up like the wreck you hide behind that mask you use	6m – 4 - 1
And did you think this fool could never win	1 – 4
Well look at me, I'm coming back again	5 – 1
I got a taste of love in a simple way	2m – 5
And if you need to know while I'm still standing you just fade away	6m – 4 – 1
Don't you know I'm still standing better than I ever did	1m – 2m – 3b – 7b
Looking like a true survivor, feeling like a little kid	4m – 6b – 7b
I'm still standing after all this time	1m – 2m – 3b – 7b
Picking up the pieces of my life without you on my mind	4m – 5
I'm still standing yeah yeah yeah	6b – 7b – 1m – 4m – 5
I'm still standing yeah yeah yeah	6b – 7b – 1m – 4m – 5
Once I never could hope to win	1 – 4
You starting down the road leaving me again	5 – 1
The threats you made were meant to cut me down	2m – 5
And if our love was just a circus you'd be a clown by now	6m – 4 - 1
You know I'm still standing better than I ever did	1m – 2m – 3b – 7b
Looking like a true survivor, feeling like a little kid	4m – 6b – 7b

Why Don't you Do Right

You had plenty money 1922 1m – 7b – 6b – 5
You let other women make a fool of you 1m – 7b – 3b – 6b – 5
Why don't you do right, like some other men do? 4m – 5 (bass line)
1m – 7b – 6b – 5
Get out of here and get me some money too? 4m – 5 – 6b – 5
1m – 7b – 6b – 5
You're sitting down wondering what it's all about
If you ain't got no money, they will put you out
Why don't you do right, like some other men do?
Get out of here and get me some money too?

If you had prepared 20 years ago
You wouldn't be a-wanderin' now from door to door
Why don't you do right, like some other men do?
Get out of here and get me some money too

I fell for your jivin' and I took you in
Now all you got to offer me's a drink of gin
Why don't you do right, like some other men do?
Get out of here and get me some money too

Why don't you do right (3x)
Like some other men do (3x)

(3eae) Hey, I oughta **leave** young thing alone
But ain't no sunshine when she's gone

Ain't no sunshine when she's gone
Only darkness every day
Ain't no sunshine when she's gone
And this house just ain't no home
Anytime she goes away
Anytime she goes away
Anytime she goes away
Anytime she goes away

With just the bare necessities of life	
Now when you pick a pawpaw, Or a prickly pear	
And you prick a raw paw, Next time beware	
Don't pick the prickly pear by the paw	
When you pick a pear	
Try to use the claw	
But you don't need to use the claw	
When you pick a pear of the big pawpaw	
Have I given you a clue?	
The bare necessities of life will come to you	
They'll come to you!	
So just try and relax, yeah cool it	
Fall apart in my backyard	
'Cause let me tell you something little britches	
If you act like that bee acts, uh uh	
You're working too hard	
And don't spend your time lookin' around	
For something you want that can't be found	
When you find out you can live without it	
And go along not thinkin' about it	
I'll tell you something true	
The bare necessities of life will come to you	
Look for the bare necessities	
The simple bare necessities	
Forget about your worries and your strife	
I mean the bare necessities	
That's why a bear can rest at ease	
With just the bare necessities of life	
The bare necessities of life will come to you

Learning to Fly (Tom Petty) Capo @ 2

Well I started out down a dirty road 4 – 1 – 6m – 5
Started out all alone
And the sun went down as I crossed the hill
And the town lit up, the world got still

I'm learning to fly, but I ain't got wings
Coming down is the hardest thing

Well the good old days may not return
And the rocks might melt and the sea may burn

I'm learning to fly, but I ain't got wings
Coming down is the hardest thing

5

(solo)

Well some say life will beat you down (high strings only)
Break your heart, steal your crown
So I've started out, for God knows where
I guess I'll know when I get there

I'm learning to fly, around the clouds
But what goes up must come down

I'm learning to fly, but I ain't got wings
Coming down is the hardest thing

I hit cruise control and rubbed my eyes
The last three days the rain was un-stoppable
It was always cold, no sunshine

Yeah runnin' down a dream
That never would've come to me
Workin' on a mystery
goin' wherever it leads
Runnin' down a dream

Whoo 6b – 7b – 1 (2x)

I rolled on as the sky grew dark
I put the pedal down to make some time
There's something good waitin' down this road

That never would've come to me
Workin' on a mystery
goin' wherever it leads
Runnin' down a dream

Well, it's a marvelous night for a moondance 4m – 5m – 6b – 5m
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies
And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-strings that play soft and low

And all the night's magic seems to whisper and hush 7bm – 4m – 7bm – 4m
And all the soft moonlight seems to shine in your blush 7bm – 4m – 7b – 1
Can I just have one more moondance with you, my love 4m – 7bm
Can I just make some more romance with you, my love

Well, I would to make love to you tonight
I can't wait 'til the morning has come
And I feel now the time is just right
And straight into our arms we will run
And if you come my heart will be waiting (skip)
To make sure that you're never alone
There and then all my dreams will come true, dear
There and then I will make you my own

And every time I touch you, you just tremble inside
And I know how much you want me that you can't hide
Can I just have one more moondance with you, my love
Can I just make some more romance with you, my love

(repeat Verse 1 & Chorus 1)

All I wanna Do (Sheryl Crow)

This ain't no disco, It ain't no country club either, This is PDX	4# – 4 (3x)
"All I wanna do is have a little fun before I die,"	1
Says the man next to me out of nowhere	6b+7 – 7b
It's apropos of nothin', He says his name is William	1
But I'm sure he's Bill or Billy or Mac or Buddy	6b+7 – 7b
And he's plain ugly to me	1
And I wonder if he's ever had a day of fun in his whole life	6b+7 – 7b
We are drinkin' beer at noon on Tuesday	1
In a bar that faces a giant car wash	6b+7 – 7b
The good people of the world they're washin' their cars on their lunch break	1
Hosin' and scrubbin' as best they can in skirts in suits	6b+7 – 7b
They drive their shiny Datsuns and Buicks	4# – 4
Back to the phone company and record stores too	4# – 4
but they're nothin' like Billy and me	4# – 4
'Cause All I wanna do is have some fun, I got a feelin' I'm not the only one	1 – 6b+7 – 7b
All I wanna do is have some fun, I got a feelin' I'm not the only one	1 – 6b+7 – 7b
All I wanna do is have some fun, Until the sun comes up over Santa Monica Boulevard	1 – 6b+7 – 5m
I like a good beer buzz early in the mornin'	1
And Billy likes to peel the labels from his bottles of Bud	6b+7 – 7b
He shreds them on the bar	1
Then he lights every match in an oversized pack, Lettin' each one burn	6b+7 – 7b
down to his ^ Thick fingers before blowin' and cursin' them out	1
He's watching the bottles of Bud as they spin on the floor	6b+7 – 7b
And a happy couple enters the bar	4# – 4
Dangerously close to one another	4# – 4
The bartender looks up from his want ads	4# – 4
But All I wanna do is have some fun - I got a feelin' I'm not the only one	1 – 6b+7 – 7b
All I wanna do is have some fun - I got a feelin' I'm not the only one	1 – 6b+7 – 7b

Otherwise the bar is ours	4# – 4
The day and the night and the car wash too	4# – 4
The matches and The Buds and the clean and the dirty cars	4# – 4
The sun and the moon	4# – 4
But All I wanna do is have some fun - I got a feelin' I'm not the only one	1 – 6b+7 – 7b
All I wanna do is have some fun - I got a feelin' the party has just begun	1 – 6b+7 – 7b

I Shot the Sheriff (Eric Clapton) Root @ 5

I shot the sheriff, but I did not shoot the deputy 5m – 7b – 1m
I shot the sheriff, but I did not shoot the deputy

All around in my home town 3b – 2m – 5m
They're trying to track me down 5m – 6m – 7b – 2m
They say they want to bring me in guilty
For the killing of a deputy
For the life of a deputy, but I say
(run) – 1/5

I shot the sheriff, but I swear it was in self-defense
I shot the sheriff, and they say it is a capital offense

Sheriff John Brown always hated me
For what I don't know
Every time that I plant a seed
He said, "Kill it before it grows"
He said, "Kill it before it grows", I say

I shot the sheriff, but I swear it was in self-defense
I shot the sheriff, but I swear it was in self-defense

Freedom came my way one day
And I started out of town
All of a sudden I see sheriff John Brown
Aiming to shoot me down
So I shot, I shot him down, I say

I shot the sheriff, but I did not shoot the deputy
I shot the sheriff, but I did not shoot the deputy

Reflexes got the better of me
And what is to be must be
Every day the bucket goes to the well
But one day the bottom will drop out
Yes, one day the bottom will drop out, but I say

I shot the sheriff, but I did not shoot the deputy, oh no
I shot the sheriff, but I did not shoot the deputy, oh no

Angels Singing (Eric Bibb)

Play @ 4
6b – 1m (x3)
5 – 7b – 1m – 7b

I went down in the valley one day, I heard the angels singing
I Heard a voice, I saw no one, I heard the angels singing
What you reckon' that angel said, I heard the angels singing
Your sins is forgiven and your soul is free, I heard the angels sing

(instrumental)

You know I went down in the valley one day, I heard the angels singing
I seen an old Devil walkin' down my way, I heard the angels singing
What you reckon that old devil said, I heard the angels singing
He said the Heaven doors is closed, go home, don't pray,
But I heard my angels sing
I said get back, sit down, get out of my way, I heard the angels singing to me
And I don't wanna hear, another word you say, yeah
I heard the angels sing - Com' on!

(instrumental)

Can I hear you clap your hands?

The people come running, they wanna know what's it all about,
I heard the angels singing
The ~~holy-ghost~~ spirit hit me, I could not help but shout
I heard the angels sing
Just when I thought my soul was lost
I heard the angels sing
My dungeon was shook and my chains dropped off,
I heard the angels sing, whoo!

(instrumental)

Yeah Yeah! Whoo!

In that great getting up morning, I heard the angels singing
In that great getting up morning, I heard my angels
Just when I thought my soul was lost
I heard them angels sing
My dungeon was shook and my chains dropped off,
I heard the angels

(instrumental) - I heard the angels sing

In that great getting up morning, I heard the angels singing
In that great getting up morning
Whoo, you know I heard my angel
Hallelujah!
