My old heart ain't gaining no ground	1m <sup>7</sup> – 2m <sup>7</sup> b5 – 5 <sup>7</sup> #5 – 1m <sup>7</sup> – 6m <sup>7</sup> b5
Because my angel eyes ain't here	6b <sup>7</sup> – 5 <sup>7</sup> #5 – 1m <sup>7</sup> – 6b <sup>7</sup> – 5 <sup>7</sup> #5
Angel eyes, that old Devil sent	1m <sup>7</sup> – 2m <sup>7</sup> b5 – 5 <sup>7</sup> #5 – 1m <sup>7</sup> – 6b <sup>7</sup>
They glow unbearably bright	1m <sup>7</sup> – 6m <sup>7</sup> b5 – 2m <sup>7</sup> b5 – 5 <sup>7</sup> #5
Need I say that my love's misspent	1m <sup>7</sup> – 2m <sup>7</sup> b5 – 5 <sup>7</sup> #5 – 1m <sup>7</sup> – 6m <sup>7</sup> b5
Misspent with angel eyes tonight	6b <sup>7</sup> – 5 <sup>7</sup> #5 – 1m <sup>6</sup>

Got to find who's now number one	1m <sup>7</sup> – 2m <sup>7</sup> b5 – 5 <sup>7</sup> #5 – 1m <sup>7</sup> – 6m <sup>7</sup> b5

## Autumn Leaves Dm

The falling leaves 4m – 7b  
Drift by the window 3bM – 6bM  
The autumn leaves 2m+5b – 5  
Of red and gold 1m – 1

I see your lips 4m – 7b  
The summer kisses 3bM – 6bM  
The sunburned hands 2m+5b – 5  
I used to hold 1m

Since you went away 2m+5b – 5  
The days grow long 1m – 1m+6  
And soon I'll hear 4m – 7b  
Old winter's song 3bM  
But I miss you most of all 2m+5b – 5  
My darling 1m – 4  
When autumn leaves 6b – 5  
Start to fall 1m

A két szemét még most is látom,  
Könny nélkül sírt, csak nézett vádlón.

Egy percig állt, sebzetten, bénán,  
Nem szólt egy szót, csak elment némán.

Hervadt falevél lehullt a fáról,  
S elvitte őt az őszi szél,

Mégis minden este visszavárom,  
Mert szívem csak őérte ég.

**Beautiful Love** | Dm

Beautiful love, you are all mystery  
Beautiful love, what have you done to me?  
I was contented 'till you came along  
Thrilling, my soul with your song

Beautiful love, I've roamed your paradise  
Searching for love, my dreams to realize  
Reaching for heaven, depending on you  
Beautiful love, will my dreams come true

**Kush Coffee (Black Coffee) | F**

I'm feelin' mighty lonesome  
Not in the best of Shape  
I walk the floor and watch the door  
And in between I vape  
Kush coffee  
Love's just second-hand fume  
I'll never know a Sunday  
In this weekday room

I'm talkin' to the shadow  
1 o'clock till 8  
And Dang, how slow the moments go  
And all I do is vape  
Kush coffee  
Since the blues caught my eye  
I'm hangin' out on Monday  
My Sunday dreams to dry

Now some were born to go a-lovin'  
But were others born to weep and fret?  
And stay at home and tend their oven  
And down their past regrets  
In tinctures' long lasting effects

I'm moonin' all the mornin'  
Moanin' all the night  
And in between it's THC  
And not much heart to fight  
Kush coffee  
Feelin' high and unwound  
It's drivin' me crazy  
This thinkin' 'bout my baby  
Might maybe come around

My heart is sad and lonely!  
 For you I sigh, for you dear only.  
 Why haven't you seen it?  
 I'm all for you, Body and Soul.

I spend my days in longing,  
 And wondering why it's me you're wronging.  
 I tell you, I mean it,  
 I'm all for you, Body and Soul!

I can't believe it,  
 It's hard to conceive it  
 That you'd turn away romance.  
 Are you pretending?  
 It looks like the ending!  
 Unless, I can have one more  
 chance to prove dear.

My life a wreck you're making!  
 You know I'm yours  
 For just the taking  
 I'd gladly surrender  
 Myself to you, Body and Soul!

**Broadway** | Eb

Broadway, Broadway  
Everybody's happy.. and gay  
Where the night is brighter than day  
Up along Broadway

Sweethearts and beaus  
On their way to movies and shows  
Dressed up in their Sunday best cloths  
Up along Broadway

Out of town, I'm low down  
When I walk along the main street  
Anywhere I don't care  
But I always find a main street just another plain street

Broadway, Broadway  
Take a little time out.. for play  
Where the joy of living holds way  
Up along Broadway

**Can't Help Lovin' Dat Man** | Eb

Fish gotta swim, birds gotta fly,  
I gotta love one man 'til I die,  
Can't help lovin' that man of mine.

Maybe he's lazy, maybe he's slow,  
Maybe I'm crazy, maybe I know,  
Can't help lovin' that man of mine!

When he goes away  
That's a rainy day,  
But when he comes back, That day is fine  
The sun will shine!

He can stay out as late as can be,  
Home without him ain't no home for me;  
Can't help lovin' that man of mine!

**Darn That Dream** | G

Darn that dream  
I dream each night  
You say you love me and hold me tight  
But when I awake and you're out of sight  
Oh, darn that dream

Darn your lips and darn your eyes  
They lift me high above the moonlit sky  
Then I tumble out of paradise  
Oh, darn that dream

Darn that one track mind of mine  
It can't understand that you don't care  
Just to change the mood I'm in  
I'd welcome a nice old nightmare

Darn that dream  
And bless it too  
Without that dream I never have you  
But it haunts me and it won't come true  
Oh, darn that dream

Love is like a never ending melody,  
Poets have compared it to a symphony,  
A symphony conducted by the lighting of the moon,  
But our song of love is slightly out of tune....

Once your kisses raised me to a fever pitch,  
Now the orchestration doesn't seem so rich,  
Seems to me you've changed the tune we used to sing,  
Like the bossa nova love should swing....

We used to harmonize two souls in perfect time,  
Now the song is different and the words don't even rhyme,  
'Cause you forgot the melody our hearts would always croon,  
What good's a heart that's slightly out of tune?

Tune your heart with mine the way it used to be,  
Join with me in harmony and sing a song of love,  
We're bound to get in tune again before too long,  
There'll be no Desafinado when your heart belongs to me completely  
Then you won't be slightly out of tune, you'll sing along with me!

**Don't get around much anymore** C

Missed the Saturday dance  
Heard they crowded the floor  
It's awfully different without you  
Don't get around much anymore

Thought I'd visit the club  
Got as far as the door  
I couldn't bear it without you  
Don't get around much anymore

Darling, I guess my mind's more at ease  
But nevertheless, why stir up memories?

Been invited on dates  
Might have gone, but what for?  
I couldn't bear it without you  
Don't get around much anymore

**For all we know** Eb

For all we know  
We may never meet again  
Before you go  
Make this moment sweet again  
We won't say goodnight  
Until the last minute  
I'll hold out my hand  
And my heart will be in it

For all we know  
This may only be a dream  
We come and we go  
Like the ripples of a stream  
So love me, love me tonight  
Tomorrow was made for some  
Tomorrow may never come  
For all we know

**Guilty** | Bb

Is it a sin, is it a crime  
Loving you dear like I do?  
If it's a crime then I'm guilty  
Guilty of loving you

Maybe I'm wrong dreaming of you  
Dreaming the lonely night through  
If it's a crime then I'm guilty  
Guilty of dreaming of you

What can I do, what can I say  
After I've taken the blame?  
You say, you're through, you'll go your way  
But I'll always feel just the same

Maybe I'm right, maybe I'm wrong  
Loving you dear like I do  
If it's a crime then I'm guilty  
Guilty of loving you

**Here's that rainy day** | G

Maybe I should have saved those leftover dreams  
    Funny but here's that rainy day  
    Here's that rainy day they told me about  
        And I laughed at the thought  
        That it might turn out this way

Where is that worn out wish that I threw aside  
    After it brought my love so near  
    Funny how love becomes a cold rainy day  
        Funny that rainy day is here

**In a sentimental mood** F

In A Sentimental Mood  
I can see the stars come through my room  
While your loving attitude  
Is like a flame that lights the gloom

On the wings of every kiss  
Drifts a melody so strange and sweet  
In this sentimental bliss you make my  
Paradise complete

Rose petals seem to fall  
It's all I could dream to call you mine  
My heart's a lighter thing  
Since you made me this night a thing divine

In A Sentimental Mood  
I'm within a world so heavenly  
For I never dreamt  
That you'd be loving sentimental me

**Is you is or Is you Ain't ma' baby** D

I got a gal that's always late  
Every time we have a date  
But I love her  
Yes I love her

I'm gonna walk right up to her gate  
And see if I can get it straight  
'Cause I want her  
I'm gonna ask her

Is you is or is you ain't my baby?  
The way you're actin' lately makes me doubt  
You's is still my baby, baby  
Seems my flame in your heart's done gone out

A human is a creature that has always been strange  
Just when you're sure of one  
You find they've gone and made a change

Is you is or is you ain't my baby  
Maybe baby's found somebody new  
Or is my baby still my baby true?

**It's June in January** Eb

It's June in January  
Because I'm in love  
It always is spring in my heart  
With you in my arms

The snow is just white blossoms  
That fall from above  
And here is the reason my dear  
Your magical charms

The night is cold  
The trees are bare  
But I can feel the scent of roses in the air

It's June in January  
Because I'm in love  
But only because I'm in love with you

**Lady Bird** C

We fit together like two birds of a feather  
The perfect combination and it couldn't be better  
If you just say the word, I'll leave my lonely world  
I'll fly with you, ladybird

Just like a robin in the harbinger of spring  
I'd have this urge to fly since you've given me wings  
Please don't you say goodbye, I'll have to leave the sky  
Just fly with me, ladybird

**Lullaby of Birdland** | Ab

Lullaby by birdland that's what I  
Always hear, when you sigh,  
Never in my wordland could there be words to reveal  
In a phrase how I feel

Have you ever heard two turtle doves  
Bill and coo, when they love?  
That's the kind of magic music we made with our lips  
When we kiss

And there's a weepy old willow  
He really knows how to cry  
That's how I'd cry in my pillow  
If you should tell me farewell and goodbye

Lullaby by birdland whisper low  
Kiss me sweet, and we'll go  
Flying high in birdland, high in the sky  
All because we're in love

**Misty** | Eb

Look at me, I'm as helpless as a kitten up a tree  
And I feel like I'm clingin' to a cloud  
I can't understand  
I get misty just holding your hand

Walk my way  
And a thousand violins begin to play  
Or it might be the sound of your hello  
That music I hear  
I get misty whenever you're near

You can't see that you're leading me on  
And it's just what I want you to do  
Don't you notice how hopelessly I'm lost  
That's why I'm following you

On my own  
When I wander through this wonderland alone  
Never knowing my right foot from my left  
My hat from my glove  
I'm too misty and too much in love

**My funny Valentine** Cm

My funny valentine  
Sweet comic valentine  
You make me smile with my heart

Your looks are laughable  
Unphotographable  
Yet you're my favorite work of art

Is your figure less than Greek  
Is your mouth a little weak  
When you open it to speak  
Are you smart?

But don't change a hair for me  
Not if you care for me  
Stay, little valentine, stay  
Each day is Valentine's Day

**One Note Samba** | Bb

This is just a little samba, built upon a single note  
Other notes are bound to follow, but the root is still that note  
Now this new one is the consequence of the one we've just been through  
As I'm bound to be the unavoidable consequence of you

There's so many people who can talk and talk and talk  
And just say nothing, or nearly nothing  
I have used up all the scale I know and at the end  
I've come to nothing, or nearly nothing

So I come back to my first note, as I must come back to you  
I will pour into that one note, all the love I feel for you  
Any one who wants the whole show, re-mi-fa-sol-la-si-do  
He will find himself with no show, better play the note you know

**'Round midnight** Ebm

It begins to tell,  
'Round midnight, midnight.  
I do pretty well, till after sundown,  
Supertime I'm feelin' sad;  
But it really gets bad,  
'Round midnight.

Memories always start 'round midnight, midnight  
Haven't got the heart to stand those memories,  
When my heart is still with you,  
And ol' midnight knows it, too.

When a quarrel we had needs mending,  
Does it mean that our love is ending?  
Darlin' I need you, lately I find  
You're out of my heart,  
And I'm out of my mind.

Let our hearts take wings'  
'Round midnight, midnight  
Let the angels sing,  
For your returning.  
Till our love is safe and sound.  
And old midnight comes around.

**Some day my prince will come** Bb

Someday my prince will come  
Someday I'll find my love  
And how thrilling that moment will be  
When the prince of my dreams comes to me

He'll whisper I love you  
And steal a kiss or two  
Though he's far away I'll find my love someday  
Someday when my dreams come true

Someday I'll find my love  
Someone to call my own  
And I know at the moment we meet  
oh, my heart will start skipping a beat

Someday we'll say and do  
Things we've been longing to  
Though he's far away I'll find my love someday  
Someday when my dreams come true

Someday my prince will come  
Someday we'll meet again  
And away to his castle we'll go  
To be happy forever I know

Someday when spring is here  
We'll find our love anew  
And the birds will sing and weddingbells will ring  
Someday when my dreams come true

**Stella by starlight** | Bb

The song a robin sings,  
Through years of endless springs,  
The murmur of a brook at evening tides.  
That ripples through a nook where two lovers hide.

That great symphonic theme,  
That's Stella by starlight,  
And not a dream,  
My heart and I agree,  
She's everything on this earth to me.

That great symphonic theme,  
That's Stella by starlight,  
And not a dream,  
My heart and I agree,  
She's everything on this earth to me.

**Stompin' at the Savoy** | Ab

Savoy, the home of sweet romance  
Savoy, it wins you at a glance  
Savoy, gives happy feet a chance, to dance.

Your form, just like a clinging vine  
Your lips, so warm and sweet as wine  
Your cheek, so soft and close to mine, devine

How my heart is singin'  
While the band is swingin'  
Never tired of rompin'  
And stompin' with you, at the Savoy,

What joy, a perfect holiday  
Savoy, where we can glide and sway  
Savoy, There let me stomp away with you.

**A Sunday kind of love** F

I want a Sunday kind of love  
A love to last past Saturday night  
I'd (2) **like** to know it's more than **love** at first sight  
I want a Sunday kind of love

I want a love that's on the square  
Can't seem to find  
somebody to care  
I'm on a lonely road that leads to no where  
I need a Sunday kind of love

I do my Sunday dreaming,  
And all my Sunday scheming  
Every minute, every hour, every day  
I'm hoping to discover  
A certain kind of lover  
Who will show me the way

My arms need someone to hold  
To keep me warm when Mondays (and Tuesdays) grow cold  
(2) Love for **all** my life to have and to hold  
Oh and I want a Sunday kind of love

**Take the "A" train** C

You must take the "A" train  
To go to Sugar Hill way up in Harlem

If you miss the "A" train  
You'll find you missed the quickest way to Harlem

Hurry, get on, now it's coming  
Listen to those rails a-thrumming

All aboard, get on the "A" train  
Soon you will be on Sugar Hill in Harlem

**We'll be together again** C

No tears  
No fears  
Remember there's always tomorrow  
So what if we have to part  
We'll be together again

Your kiss  
Your smile  
Are memories I'll treasure forever  
So try thinking with your heart  
We'll be together again

Times when I know you'll be lonesome  
Times when I know you'll be sad  
Don't let temptation surround you  
Don't let the blues make you bad

Some day  
Some way  
We both have a lifetime before us  
For parting is not goodbye  
We'll be together again

**When you wish upon a star** C

When you wish upon a star  
Makes no difference who you are  
Anything your heart desires  
Will come to you  
If your heart is in your dream  
No request is too extreme  
When you wish upon a star  
As dreamers do  
Fate is kind  
She brings to those who love  
The sweet fulfillment of  
Their secret longing  
Like a bolt out of the blue  
Fate steps in and sees you through  
When you wish upon a star  
Your dreams come true

**You are too beautiful** C

You are too beautiful, my dear, to be true  
And I am a fool for beauty  
Fooled by a feeling that because I have found you  
I could have bound you too

You are too beautiful for one man alone  
For one lucky fool to be with  
When there are other men  
With eyes of their own to see with

Love does sure stand sharing  
if one really cares  
Best not to be comparing  
My every kiss with theirs

If, on the other hand, I'm faithful to you  
It's not through a sense of duty  
You are too beautiful  
And I am a fool for beauty

**You don't know what love is** Fm

You don't know what love is  
Until you've learned the meaning of the blues  
Until you've loved a love you had to loose  
You don't know what love is

You don't know how lips hurt  
Until you've kissed and had to pay the cost  
Until you've flipped you're heart and you have lost  
You don't know what love is

Do you know how a lost heart fears  
The thought of reminiscing  
And how lips that taste of tears  
Lose their taste for kissing

You don't know how hearts burn  
For love that cannot live, yet never dies  
Until you've faced each dawn with sleepless eyes  
You don't know what love is
