I jumped in the river, what did I see? 1 – 2b – 3b – 2b – 1  
Black-eyed angels swam with me 1m – 7b – 2b  
A moon full of stars and astral cars  
And all the figures I used to see

All my lovers were there with me  
All my past and futures  
And we all went to heaven in a little row boat  
There was nothing to fear and nothing to doubt

I jumped into the river  
Black-eyed angels swam with me  
A moon full of stars and astral cars  
And all the figures I used to see

All my lovers were there with me  
All my past and futures  
And we all went to heaven in a little row boat  
There was nothing to fear, nothing to doubt  
There was nothing to fear, nothing to doubt  
There was nothing to fear, nothing to doubt

**Do it Again (Steely Dan) 135bpm** | Bm

In the mornin' you go gunnin'  
for the man who stole your water  
And you fire till he is done in  
but they catch you at the border  
And the mourners are all singin'  
as they drag you by your feet  
But the hangman isn't hangin'  
and they put you on the street

1m – 1m+7b,9

*You go back, Jack, do it again,*  
*wheels turnin' 'round and 'round*  
*You go back, Jack, do it again*

4m – 5m – 6b – 6b+6/7b

1m – 1m+7b,9

4m – 5m – 6b – 6b+6/7b

1m – 1m+7b,9

When you know she's no high climber  
then you find your only friend  
In a room with your two timer,  
and you're sure you're near the end  
Then you love a little wild one,  
and she brings you only sorrow  
All the time you know she's smilin';  
you'll be on your knees tomorrow

*You go back, Jack, do it again,*  
*wheels turnin' 'round and 'round*  
*You go back, Jack, do it again*

Now you swear and kick and beg us  
that you're not a gamblin' man;  
Then you find you're back in Vegas  
with a handle in your hand  
Your black cards can make you money  
so you hide them when you're able  
In the land of milk and honey  
you must put them  
on the table, yeah

*You go back, Jack, do it again,*  
*wheels turnin' 'round and 'round (x4)*

### Angel From Montgomery

I am an old woman named after my mother	1 – 4 – 1 – 4
My old man is another child that's grown old	1 – 4 – 5 – 1 – 4
If dreams were lightning thunder was desire	1 – 4 – 1 – 4
This old house would have burnt down a long time ago	1 – 4 – 5 – 1
Make me an angel that flies from Montgom'ry	1 – 7b – 4 – 1 – 4
Make me a poster of an old rodeo	1 – 7b – 4 (-3b)
Just give me one thing that I can hold on to	1 – 7b – 4 – 1 – 4
To believe in this living is just a hard way to go	1 – 4 – 5 – 1
	1 – 4 – 1 – 4
When I was a young girl well, I had me a cowboy	
He weren't much to look at, just free rambling man	
But that was a long time and no matter how I try	
The years just flow by like a broken down dam.	
Make me an angel that flies from Montgom'ry	
Make me a poster of an old rodeo	
Just give me one thing that I can hold on to	
To believe in this living is just a hard way to go	
There's flies in the kitchen I can hear 'em there buzzing	
And I ain't done nothing since I woke up today.	
How the hell can a person go to work in the morning	
And come home in the evening and have nothing to say.	
Make me an angel that flies from Montgom'ry	
Make me a poster of an old rodeo	
Just give me one thing that I can hold on to	
To believe in this living is just a hard way to go	

**Free Fallin' (Tom Petty)**

She's a good girl, loves her mama  
Loves Jesus and America too  
She's a good girl, crazy 'bout Elvis  
Loves horses and her boyfriend too

1 – 4 – 1 – 5

It's a long day livin' in Reseda  
There's a freeway runnin' through the yard  
And I'm a bad boy, 'cause I don't even miss her  
I'm a bad boy for breakin' her heart

And I'm free, free fallin'  
Yeah I'm free, free fallin'

All the vampires walkin' through the valley  
Move west down Ventura Blvd.  
And all the bad boys are standing in the shadows  
All the good girls are home with broken hearts

And I'm free, free fallin'  
Yeah I'm free, free fallin'

Free fallin', now I'm free fallin'  
Now I'm,  
Free fallin', now I'm free fallin'

And I'm free, free fallin'  
Yeah I'm free, free fallin'

I wanna glide down over Mulholland  
I wanna write her name in the sky  
I'm gonna free fall out into nothin'  
Gonna leave this world for awhile

And I'm free, free fallin'  
Yeah I'm free, free fallin'  
Yeah I'm free, free fallin'  
Oh! Free fallin'  
Now I'm free  
Oh!  
Free fallin'

## Stand By Me

[Intro]

[Verse 1]

When the night has come  
And the land is dark  
And the moon is the only light we'll see  
No I won't be afraid, no I won't be afraid  
Just as long as you stand, stand by me

[Chorus]

So darlin', darlin', stand by me, oh now now stand by me  
Stand stand by me, stand by me

[Verse 2]

If the sky that we look upon  
Should tumble and fall  
And the mountains should crumble to the sea  
I won't cry, I won't cry, no I won't shed a tear  
Just as long as you stand, stand by me

[Chorus]

And darlin', darlin', stand by me, oh now now  
Stand by me  
Stand by stand by me stand by me

Darlin', darlin', stand by me, stand by me  
Stand by me stand by me stand by me

[Bridge]

Whenever you're in trouble won't you stand by me, oh now now stand by me  
Oh stand by me, stand by me, stand by me

Darlin', darlin', stand by me, stand by me  
Oh stand by me, stand by me, stand by me

## Smells like Teen Spirit

Load up on guns  
Bring your friends  
It's fun to lose and to pretend  
She's overboard, self assured  
Oh no I know, a dirty word  
Hello, hello, hello, how low [x3]  
Hello, hello, hello

With the lights out, it's less dangerous  
Here we are now, entertain us  
I feel stupid and contagious  
Here we are now, entertain us  
A mulatto, an Albino  
A mosquito, my libido, yeah - Hey, yay

I'm worse at what I do best  
And for this gift, I feel blessed  
Our little group has always been  
And always will until the end  
Hello, hello, hello, how low [x3]  
Hello, hello, hello

With the lights out, it's less dangerous  
Here we are now, entertain us  
I feel stupid and contagious  
Here we are now, entertain us  
A mulatto, an Albino  
A mosquito, my libido, yeah - Hey, yay  
And I forget just why I taste

Oh yeah, I guess it makes me smile  
I found it hard, it was hard to find  
Oh well, whatever, nevermind  
Hello, hello, hello, how low [x3]  
Hello, hello, hello

With the lights out, it's less dangerous  
Here we are now, entertain us  
I feel stupid and contagious  
Here we are now, entertain us  
A mulatto, an Albino  
A mosquito, my libido  
A denial, A denial, A denial, A denial, A denial  
A denial, A denial, A denial, A denial

# After Forever (Repercussions)

Here we are, it's the perfect time	4+7b,9
I'll do anything that'll ease your mind	5+7b,9
Let's start with this	1m – 7b+6/1
I should've told you twice a day	4+7b,9
That I'm crazy about your sexy ways	6b+7,9, 5+7b,9
So here it is, here it is now baby	1
After forever	6b+7+9
That's when my heart won't find it's way to you,	4/5 – 6b/7b – 6b+maj7+9
oh no	4/5 – 3b/4 – 4/5
After forever	
That's when my night won't turn to day with you, oo, baby	
The stars won't shine and the moon won't glow	3b/4 – 4/5
And the birds won't sing and the wind won't blow	3b/4 – 4/5
That's when I'll be gone, that'll be the day	3b/4 – 4/5
Coz I'm down with you and I'm here to stay	3b/4 – 4/5
Tell me how did you ever doubt	4+7b,9
That it's you I just can't live without	5+7b,9
Must I explain?	1m – 7b+6/1
I can't go more than an hour, you know	4+7b,9
Without hearin' your voice on the telephone	6b+7,9 – 5+7b,9
Say my name	1
After forever	
I won't be waiting here when you get home, oh no	
After forever	
That's when I'll leave you, girl, to be alone, oo, baby	
The stars won't shine and the moon won't glow	
When the birds won't sing and the wind won't blow	
That's when I'll be gone, that'll be the day	
Coz I'm down with you and I'm here to stay	
After forever	
That's when my heart won't find it's way to you, oh no	
After forever	
That's when my night won't turn to day with you, oo, baby	
After forever	
I won't be waiting here when you get home, oh no	
After forever	
That's when I'll leave you, girl, to be alone, oo, baby	

Arms of an Angel (Sarah McL)	(6/8)
Spend all your time waiting	2m – 1/3
For that second chance	4
For a break that would make it okay	1 – 6m – 5
There's always some reason	2m – 1/3
To feel not good enough	4
And it's hard at the end of the day	1 – 6m – 5
I need some distraction	2m – 1/3
Or a beautiful release	4
Memories seep from my veins	1 – 6m – 5
Let me be empty	2m – 1/3
Oh and <b>weightless</b> and maybe	4
I'll find some peace tonight	1 – 6m – 5
In the arms of the angel	1 – 4 – 1
Fly away from here	3m (+4,7b)
From this dark cold hotel room	4 – 7b – 4
And the <b>endlessness</b> that you fear	1 – 6m – 5
You are pulled from the wreckage	1 – 4 – 1
Of your silent reverie	3m (+4,7b)
You're in the arms of the angel	4 – 7b – 4
May you find	1 – 6m – 5
some comfort here	1
So tired of the straight line	2m – 1/3
And everywhere you turn	4
There's vultures and thieves at your back	1 – 6m – 5
The storm keeps on twisting	2m – 1/3
Keep on building the lies	4
That you <b>make</b> up for all that you lack	1 – 6m – 5
It don't make no difference	2m – 1/3
Escaping one last time	4
It's easier to believe	1 – 6m – 5
In this sweet madness	2m – 1/3
Oh this glorious sadness	4
That brings me to my knees	1 – 6m – 5
In the arms of the angel...	...

**I can't make you love me (Bonnie Rait) 443/C**

(instrumental)	(Verse 1)
Turn down the lights	4 – 6+6,9
Turn down the bed	6+6,9 – 4
Turn down these voices	4 – 1/3
inside my head	6m – 2m – 1/3
Lay down with me	4 – 6+6,9
Tell me no lies	6+6,9 – 4
Just hold me close,	4 – 1/3
don't patronize	6m – 2m
Don't patronize me	1/5 – 5
	1/3
'Cause I can't make you love me if you don't	4 – 1 – 4
You can't make your heart feel something it won't	4 – 1 – 1/3 – 4
Here in the dark, in these final hours	6m – 4 – 4/5 – 6+6,9
I will lay down my heart and I'll feel the power	6m – 4 – 4/5 – 6+6,9
But you won't, no you won't	2m – 5
'Cause I can't make you love me,	4 – 1 – 4
if you don't	4 – 6+6,9
	6+6,9 – 4
	4 – 1/3 – 2m
I'll close my eyes	4 – 6+6,9
then I won't see	6+6,9 – 4
The love you don't feel	4 – 1/3
when you're holding me	6m – 2m – 1/3
Morning will come	4 – 6+6,9
and I'll do what's right	6+6,9 – 4
Just give me till then	4 – 1/3
to give up this fight	6m – 2m
And I will give up this fight	2m – 1/3 – 4 – 1/5 – 5
	1/3
'Cause I can't make you love me if you don't	4 – 1 – 4
You can't make your heart feel something it won't	4 – 1 – 1/3 – 4
Here in the dark, in these final hours	6m – 4 – 4/5 – 6+6,9
I will lay down my heart and I'll feel the power	6m – 4 – 4/5 – 6+6,9
But you won't, no you won't	2m – 5
'Cause I can't make you love me,	4 – 1 – 4
if you don't	4 – 6+6,9,
(instrumental)	6+6,9 – 4
	4 – 1/3 – 6m – 2m

## More than words

Saying I love you 1 – 1/3 – 4  
Is not the words I want to hear from you 2m – 4 – 5  
It's not that I want you 1 – 1/3 – 4  
Not to say, but if you only knew 2m – 4 – 5 – 6m  
How easy it would be to show me how you feel 2m – 5 – 1 – 7m – 6m  
More than words is all you have to do to make it real 4 – 5 – 1 – 7m – 6m  
Then you wouldn't have to say that you love me 4  
'Cause I'd already know 5 – 5sus4 - 1

What would you do if my heart was torn in two  
More than words to show you feel  
That your love for me is real  
What would you say if I took those words away  
Then you couldn't make things new  
Just by saying I love you

More than words  
La di da, da di da, di dai dai da

Now I've tried to talk to you and make you understand  
All you have to do is close your eyes  
And just reach out your hands and touch me  
Hold me close don't ever let me go  
More than words is all I ever needed you to show  
Then you wouldn't have to say that you love me  
'Cause I'd already know

What would you do if my heart was torn in two  
More than words to show you feel  
That your love for me is real  
What would you say if I took those words away  
Then you couldn't make things new  
Just by saying I love you

La di da, da di da, di dai dai da  
More than words

<b>Horse with no name (America) 61/LC</b>	Dm, Capo@4
On the first part of the journey I was looking at all the life There were plants and birds and rocks and things There was sand and hills and rings	1m – 2m – 7b ...
The first thing I met was a fly with a buzz And the sky --- with no clouds The heat was hot and the ground was dry But the air was full of sound	1m
<i>I've been through the desert on a horse with no name It felt <b>good</b> to be out of the rain In the desert you can remember your name 'Cause there ain't no one for to give you no pain La, la</i>	1m – 7b – 4/5 – 4/7b ...
After two days in the desert sun My skin began to turn red After three days in the desert fun I was looking at a river bed And the story it told of a river that flowed Made me sad to think it was dead	1m
<i>You see I've been through the desert on a horse with no name It felt <b>good</b> to be out of the rain In the desert you can remember your name 'Cause there ain't no one for to give you no pain La, la</i>	
After nine days I let the horse run free 'Cause the desert had turned to sea There were plants and birds and rocks and things there was sand and hills and rings	
The ocean is a desert with its life underground And a perfect disguise above Under the cities lies a heart made of ground But the humans will give no love	(p) 1m (ppp)
<i>You see I've been through the desert on a horse with no name It felt <b>good</b> to be out of the rain In the desert you can remember your name 'Cause there ain't no one for to give you no pain La, la</i>

Livin' in the street	
Oh, oh, there's a solution	
I want to fly like an eagle, To the sea	
Fly like an eagle, Let my spirit carry me	
I want to fly like an eagle, 'Till I'm free

# **Rick Springfield - Jessie's Girl**

Jessie is a friend, yeah	1 – 5 – 6m
I know he's been a good friend of mine	4 – 5 – 1
But lately something's changed that ain't hard to define	
Jessie's got himself a girl and I want to make her mine	
And she's watching him with those eyes	
And she's loving him with that body, I just know it	
Yeah 'n' he's holding her in his arms late, late at night	
You know	5
I wish that I had Jessie's girl	5 – 1 - 5 – 6m – 5 – 6m
I wish that I had Jessie's girl	5 – 1 - 5 – 6m – 5 – 6m
Where can I find a woman like that	4 – 5 – 1 – 6m – 5
I play along with the charade	
There doesn't seem to be a reason to change	
You know, I feel so dirty when they start talking cute	
I wanna tell her that I love her	
But the point is probably moot	
'Cause she's watching him with those eyes	
And she's loving him with that body, I just know it	
And he's holding her in his arms late, late at night	
You know	
I wish that I had Jessie's girl	
I wish that I had Jessie's girl	
Where can I find a woman like that	
Like Jessie's girl	
I wish that I had Jessie's girl	
Where can I find a woman	
Where can I find a woman like that	
And I'm looking in the mirror all the time	4 – 5 – 1
Wondering what she don't see in me	4 – 5
I've been funny, I've been cool with the lines	
Ain't that the way love supposed to be	4 – 1 – 5
Tell me, where can I find a woman like that	
You know, I wish that I had Jessie's girl	
I wish that I had Jessie's girl	
I want Jessie's girl	
Where can I find a woman like that	
Like Jessie's girl	
I wish that I had Jessie's girl	
I want, I want Jessie's girl

Get out of here and get me some money too	
I fell for your jivin' and I took you in	
Now all you got to offer me's a drink of gin	
Why don't you do right, like some other men do?	
Get out of here and get me some money too

<b>Somebody that I used to know (Walk off the Earth / Gotye)</b>	Bm
(instrumental)	6m – 1+7b/5
(2) Now and then I think of <b>when</b> we were together	
(1a) Like when you said you felt so <b>happy</b> you could die	
(2) Told myself that you were <b>right</b> for me	
(1a) But felt so lonely in your <b>company</b>	
(1a) But that was love and it's an <b>ache</b> I still remember	
(instrumental)	
(1) You can get addicted to a <b>certain</b> kind of sadness	
(1a) Like resignation to the <b>end</b> , always the end	
(1a) So when we found that we could <b>not</b> make sense	
(2) Well you said that we would <b>still</b> be friends

(2) No, you didn't have to <b>stoop</b> so low	
(2) Have your friends collect your <b>records</b> and then change your number	
(2a) I guess that I don't <b>need</b> that though	
(1) Now you're just somebody that I used to know

Now you're just somebody that I used to know	
(instrumental)	
Now you're just somebody that I used to know

(1) But had me believing it was <b>always</b> something that I'd done	
(2a) But I don't wanna <b>live</b> that way	5sus4 – 5
(2) Reading into every <b>word</b> you say	
(2a) You said that you could <b>let</b> it go

## Bear Necessities

I mean the bare necessities	1 – 1+7b,9
Old <b>Mother</b> Nature's recipes	4
That brings the bare necessities of life	1 – 6m – 2 – 5

Wherever I wander, wherever I roam	5 – 1
I couldn't be fonder of my big home	5 – 1 – 1+7b,9

Look for the bare necessities	
The simple bare necessities	
Forget about your worries and your strife	
I mean the bare necessities	
That's why a bear can rest at ease	
With just the bare necessities of life	
Now when you pick a pawpaw, Or a prickly pear	
And you prick a raw paw, Next time beware	
Don't pick the prickly pear by the paw	
When you pick a pear	
Try to use the claw	
But you don't need to use the claw	
When you pick a pear of the big pawpaw	
Have I given you a clue?	
The bare necessities of life will come to you	
They'll come to you!	
So just try and relax, yeah cool it	
Fall apart in my backyard	
'Cause let me tell you something little britches	
If you act like that bee acts, uh uh	
You're working too hard	
And don't spend your time lookin' around	
For something you want that can't be found	
When you find out you can live without it	
And go along not thinkin' about it	
I'll tell you something true	
The bare necessities of life will come to you	
Look for the bare necessities	
The simple bare necessities	
Forget about your worries and your strife	
I mean the bare necessities	
That's why a bear can rest at ease	
With just the bare necessities of life	
The bare necessities of life will come to you

<b>Learning to Fly (Tom Petty)</b>	Capo @ 2

Moondance (Van Morrison)	Dm
Well, it's a marvelous night for a moondance With the stars up above in your eyes A fantabulous night to make romance 'Neath the cover of October skies And all the leaves on the trees are falling To the sound of the breezes that blow And I'm trying to please to the calling Of your heart-strings that play soft and low	1m – 1m+7b,9
And all the night's magic seems to whisper and hush And all the soft moonlight seems to shine in our blush Can I just have one more moondance with you, my love Can I just make some more romance with you, my love	4m+7b – 1m+7b (2x) 4m+7b – 1m+7b – 4 – 5+7b 1m+7b – 4 (4x) 1m+7b – 4 (4x) 5+7b
Well, I would <b>like</b> to make love to you <b>tonight</b> I can't wait 'til the morning has come And I <b>feel</b> now the time is just right And straight <b>into</b> our arms we will run <u>And if you come my heart will be waiting</u> <u>To make sure that you're never alone</u> <u>There and then all my dreams will come true, dear</u> <u>There and then I will make you my own</u>	(skip?)
And every time I touch you, you just tremble inside And I know how much you want me that you can't hide Can I just have one more moondance with you, my love Can I just make some more romance with you, my love	
(repeat Verse 2 & Chorus 1)	
One more moondance with you in the moonlight On a magic night La, la, la, la in the moonlight On a magic night	
Can't I just <b>have</b> one <b>more</b> moondance with <b>you</b> my love	1m – 7b+2 – 6bM – 5m – 4m 1M

**Angels Singing (Eric Bibb)**

Play @ 4  
6b – 1m (x3)  
5 – 7b – 1m – 7b

I went down in the valley one day, I heard the angels singing  
I Heard a voice, I saw no one, I heard the angels singing  
What you reckon' that angel said, I heard the angels singing  
Your sins is forgiven and your soul is free, I heard the angels sing

(instrumental)

You know I went down in the valley one day, I heard the angels singing  
I seen an old Devil walkin' down my way, I heard the angels singing  
What you reckon that old devil said, I heard the angels singing  
He said the Heaven doors is closed, go home, don't pray,  
But I heard my angels sing  
I said get back, sit down, get out of my way, I heard the angels singing to me  
And I don't wanna hear, another word you say, yeah  
I heard the angels sing - Com' on!

(instrumental)

Can I hear you clap your hands?

The people come running, they wanna know what's it all about,  
I heard the angels singing  
The ~~holy-ghost~~ spirit hit me, I could not help but shout  
I heard the angels sing  
Just when I thought my soul was lost  
I heard the angels sing  
My dungeon was shook and my chains dropped off,  
I heard the angels sing, whoo!

(instrumental)

Yeah Yeah! Whoo!

In that great getting up morning, I heard the angels singing  
In that great getting up morning, I heard my angels  
Just when I thought my soul was lost  
I heard them angels sing  
My dungeon was shook and my chains dropped off,  
I heard the angels

(instrumental) - I heard the angels sing

In that great getting up morning, I heard the angels singing  
In that great getting up morning  
Whoo, you know I heard my angel  
Hallelujah!

# Sometimes it Snows in April (Prince)

E, Capo @ 2

Tracy died soon after a long fought civil war  
Just after I'd wiped away his last tear  
I guess he's better off than he was before  
A whole lot better off than the fools he left here

1+2 – 2+9 – 4+2

I used to cry for Tracy 'cause he was my only friend  
Those kind of cars don't pass you every day  
(↑) I used to cry for Tracy 'cause I wanted to see him again  
But sometimes, sometimes life ain't always the way

Sometimes it snows in April  
Sometimes I feel so bad, so bad  
Sometimes I wish life was never ending  
And all good things, they say, never last

4+7 – 3m+7b (x2)  
4+7 – 3 – 6m+7b – 2+7b  
4+7 – 4# – 5  
2+7b – 4+6/5 – 1

Springtime was always my favorite time of year  
A time for lovers holding hands in the rain  
Now springtime only reminds me of Tracy's tears  
Always cry for love, never cry for pain

He used to say so strong, oh unafraid to die  
Unafraid of the death that left me hypnotized  
No, staring at his picture I realized  
No one could cry the way my Tracy cried

Sometimes it snows in April  
Sometimes I feel so bad  
Sometimes, sometimes I wish that life was never ending  
And all good things, they say, never last

I often dream of heaven and I know that Tracy's there  
I know that he has found another friend  
Maybe he's found the answer to all the April snow  
Maybe one day I'll see my Tracy again

Sometimes it snows in April  
Sometimes I feel so bad, so bad  
Sometimes I wish that life was never ending  
But all good things, they say, never last

**I fell in Love with the Wind (John Manns) | G**

I fell in love with the wind in her hair	1sus4 or 4/1
I fell in love with the breeze	5sus4 – 4
And how it moved across her skin when it was bare	
It brought me down to my knees	4 – 5 – 2m – 4
When I fell in love with the wind	4 – 5 – 1
I fell in love when she blew through my heart	2m – 5
I fell in love with the storm	
It picked me up and it took me all apart	
Scattered my limbs and my arms all around	
When I fell in love with the wind	
I sang out so loud and I drew in a breath	
From a well out of which I ascend	
When I fell in love with the wind	
I fell in love with the hard frozen ground	
I fell in love with the snow	
And how she looked in that white satin gown	
And the parts of me that I didn't know	
When I fell in love with the wind	
She came down all around me	
She set the wheel in to spin	
She caused what was anchored to be set free	
And my rigid soul to bend	
When I fell in love with the wind	
I fell in love with the clouds in her eyes	
I fell in love with the view	
It didn't matter what was hers and what was mine	
Or what I would or wouldn't do	
Because you see I fell in love with the wind	

Our little Town (Greg Brown)	
	1
(p) Now the railroad came generations ago	5/1 – 1
And the town grew up as the crops did grow	4/1 – 1
The crops grew well and the town did too	5/1 – 1
They say it's dyin' now and there ain't a thing we can do	4/1 – 1
	(2/4)
I don't have to read the news	4
Or hear it on the radio	1
I see it in the faces of everyone I know	5 – 1 – 1+7b
The cost goes up	4
What we made comes down	1
What's gonna happen to our little town	5+7b – 1
(instrumental)	1 – 2/1 – 2m/1 – 1
The summer is full of thunder, The kids run and play	
Momma got a new wrinkle, Poppa ain't got much to say	
Rust grows, along the railroad track	
The young folks leave, They don't come back	
(f) And I don't have to read the news	
Or hear it on the radio	
I see it in the faces of everyone I know	
The boards go up	
The signs come down	
What's gonna happen to our little town	
Tom lost his farm, And we lost Tom	
He left in the night, I don't know where he's gone	
What he'd lost, He just couldn't face	
What we're losin', can't be replaced	
I don't have to read the news	
Or hear it on the radio	
I see it in the faces of everyone I know	
The reason we're here	
Is the farms around	
So what's gonna happen to our little town	
(instrumental)	1 – 2/1 – 2m/1 – 1
(p) We've seen hard times, Many times before	
Maybe this whole thing is just one more	
It never was perfect, Maybe no one's to blame	
To see it die like this, It's a god-damned / gosh-danged shame	
(f) And I don't have to read the news	
Or hear it on the radio	
I see it in the faces of everyone I know	
The sun comes up	
The sun goes down	
But what's gonna happen to our little town	

# It Runs Through Me (Tom Misch)

One, two, three, four

Bm

I love the **way** it flows, I love the **way** it grows  
There's **something** in this sound that takes me **far**  
It's like a **special** song, Can move my **mood** along  
But I **cannot** say you'll hear through my guitar

$1m+7b - 3b+7 - 3b+6$   
 $6b+7 - 5+6 - 5+\#5$

She told me add a **bass** line, And everything will **be** alright  
She told me that the **groove** is mine, (4) It will take us **through** the night  
And **where** I'll go, (2a) Can't explain I'll never know, But it's beautiful

You can't take this away from me, The way I hit the melody  
The waves bring clarity, Running through me  
You can't take this away from me, Oh the way I hit the melody  
The waves bring clarity, Running through me

I love the **way** it sings, All the **joy** that it brings  
Remember **skating** down the road towards the park?  
I can never **say** no, You with that **summer** glow  
The music **gives** me sun when winter **starts**

She told me add a bass line, And everything will be alright  
She told me that the beat is mine, It will rock us through the night  
And where I go, Can't explain I'll never know, But it's beautiful

(Chorus 2x)

Yo, I wear notes like coats  
Blues like doos, war for the rhythm, soul that glues  
That bounce to my bones, that jazz in my spine  
The hop is my home, rap is my grind  
I'm grindin' on the back side of life, we dance  
She threw me a chance, my hands in my pants  
Actually, my pockets holdin' me tight, whispering a dream I could hold in the night  
(Look tight) a rhythm that's throbbin' my veins  
Wake up and write it on the pad, the pains  
Like church, the organ will invite the tears  
(Like birth) the cryin' let you know I'm here  
Held by the song that gave me a name  
Dressed by the verse that gave me a claim  
(There's just base in the line) safe to inhale  
And if you live well  
Then longer years in this state, you will be  
A timeless octave to play for the tree  
That's rooted in every single nerve in me  
The nerve of he who ignores the key  
And use it, it opens the minds that be free  
Whenever you're hot-headed, pours you a breeze  
Beneath the clouds, you allowed to see in clarity, through harmony  
Someone harmin' me?  
That won't be done  
I stand protected by the laws of fun  
I am perfected through the rhymes of run  
Walkin' this way had the party stunned  
This music, it launched me  
With no aim, I've landed with some plane  
Where I am I can't explain or ever know  
But it's beautiful, so...

Take Me Home (Genesis)	D
Take that look of worry, I'm an ordinary man	1 – 5/1
They don't tell me nothing, So I find out what I can	7b/1 – 4/1
There's a fire that's been burning, Right outside my door	
I can't see but I feel it, And it helps to keep me warm	
So I, I don't mind	4/1 – 1
No I, I don't mind	4/1 – 1
Seems so long I've been waiting, Still don't know what for	1 – 5/1
There's no point escaping, I don't worry anymore	7b/1 – 4/1
I can't come out to find you, I don't like to go outside	
They can't turn off my feelings, Like they're turning off a light	
But I, I don't mind	4/1 – 1
No I, I don't mind	4/1 – 1
Oh I, I don't mind	4/1 – 1
No I, I don't mind	4/1 – 1

Cos I don't remember	
Take, take me home	1 – 4/1
Cos I don't remember	
Take, take me home	1 – 4/1
Cos I don't remember	
Take, take me home, oh lord	1 – 4/1
Cos I've been a prisoner all my life	2m – 3m+7b
And I can say to you	4+7b,9,11 – 2m
Take that look of worry, mine's an ordinary life	1 – 5/1
Working when it's daylight, And sleeping when it's night	7b/1 – 4/1

They don't think that I listen, Oh but I know who they are	
And I, I don't mind	4/1 – 1
No I, I don't mind	4/1 – 1
Oh I, I don't mind	4/1 – 1

**I will survive (Gloria Gaynor 1978)** D

At first I was afraid, I was petrified  
Kept thinking I could never live without you by my side  
But then I **spent** so many nights, thinking **how** you did me wrong  
And I grew strong, And I learned **how** to get along

$1m+7b - 4m+7b$   
 $7b+7b - 3b+7$   
 $6b+7 - 2m+5b, 7b$   
 $5+7b - 5sus4 - 5+7b$

And so you're back, From outer space  
I just walked **in** to find you here with that sad look upon your face  
I should have changed that stupid lock, I should have made you leave your key  
If I'd **known** for just one second you'd be back to bother me

Go on now, go, walk out the door  
Just turn around now, 'Cause you're not welcome anymore  
(1a) Weren't you the one who tried to **hurt** me with goodbye  
Do you think I'd crumble, Did you think I'd lay down and die?

Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll stay alive  
I've got all my life to live, And I've got all my love to give and I'll survive  
I will survive, I will survive

(instrumental)

It took all the strength I had not to fall apart  
Kept trying hard to mend the pieces of my broken heart  
And I spent oh-so many nights just feeling sorry for myself, I used to cry  
But now I hold my head up high

and you see me, Somebody new  
I'm not that chained-up little person and still in love with you  
And so you felt like dropping in and just expect me to be free  
Well, now I'm saving all my lovin' for someone who's loving me

Go on now, go, walk out the door  
Just turn around now, 'Cause you're not welcome anymore  
Weren't you the one who tried to crush me with goodbye  
Do you think I'd crumble, Did you think I'd lay down and die?

Oh no, not I, I will survive  
And, as long as I know how to love, I know I'll stay alive  
I've got all my life to live, And I've got all my love to give and I'll survive  
I will survive

Go on now, go, walk out the door  
Just turn around now, 'Cause you're not welcome anymore  
Weren't you the one who tried to crush me with goodbye  
Do you think I'd crumble, Did you think I'd lay down and die?

Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll stay alive  
I've got all my life to live, And I've got all my love to give and I'll survive  
I will survive

**59th Street Bridge Song / Feelin' Groovy (Simon & Garfunkel)** | D

Slow down, you move too fast 4 – 1/3 – 2m7 – 1  
You got to make the morning last  
Just kicking down the cobblestones  
Looking for fun and feeling groovy  
Ba da-da da-da da-da, feeling groovy

Hello lamppost, what'cha knowing  
I've come to watch your flowers growin'  
Ain't you got no rhymes for me?  
Doo-ait-n-doo-doo, feeling groovy  
Ba da-da da-da da-da, feeling groovy

I got no deeds to do, no promises to keep  
I'm dappled and drowsy and ready to sleep  
Let the morningtime drop all its petals on me  
Life, I love you, all is groovy

Nothing Can Come Between Us (Sade)	Bm
I always hope that you remember We'll never really learn the meaning of it all What we have is strong and tender So hold on	1m+7b – 4m+7b
In the middle of the madness When the time is running out and you're left alone All I want is you to know that It's strong still, Can't pull us apart	
Nothing can come (x3) Between us can pull us apart Nothing can come (x3) Between us	1m+7b – 4m+7b 1m+7b – 4m+7b – 5+7b

It's about faith It's about trust (yeah yeah) It's about faith It's about trust

# The Captain of Her Heart (Double)

Bb/C

Bb: 1m+11/3b

1m - 7b+6 - 6b+7

It was way past midnight  
And she still couldn't fall asleep.  
This night the dream was leaving  
She tried so hard to keep.

1m - 7b+6

And with the new day's dawning  
She felt it drift away.  
Not only for a cruise  
Not only for a day

4+9

6b+7

7b+6

C:

(motif)

1 - 6m+7b - 6b+7 - 7b+6

Too long ago, too long apart  
She couldn't wait another day for  
The captain of her heart.

1 - 6m+7b - 6b+7 - 7b+6

(motif)

As the day came up, she made a stop.  
She stopped **waiting** another day for  
The captain of her heart.

Would be so peachy before we're too old	
So please turn on your magic beam	
Mr. Sandman, bring us, please, please, please

### Didn't Come (Norah Jones)

I waited 'til I saw the sun  
I don't know why I didn't come  
I left you by the house of fun  
Don't know why I didn't come  
Don't know why I didn't come

$1+7 - 1+7b - 4+2 - 3+5\#+7b$   
 $6m+7b - 2+7b - 4/5 - 1$

When I saw the break of day  
I wished that I could fly away  
Instead of kneeling in the sand  
Catching tear-drops in my hand

My heart is drenched in wine  
But you'll be on my mind forever

$6m+7b - 2+7b - 5+7b$

Out across the endless sea  
I would die in ecstasy  
But I'll be a bag of bones  
Driving down the road alone

My heart is drenched in wine  
But you'll be on my mind forever

Something has to make you run  
I don't know why I didn't come  
I feel as empty as a drum  
I don't know why I didn't come  
Don't know why I didn't come  
I don't know why I didn't come

<b>Sunspots (Nine Inch Nails)</b>	
Sunspots <b>cast</b> a glare in my eyes	2 - 3b - 1
Sometimes I forget I'm alive	2 - 3b - 1
	2 - 3b - 4 - 4# - 1
I feel it coming and I've <b>gotta</b> get out of it's way	2 - 3b - 1
I hear it calling and I <b>come</b> cause I can't disobey	2 - 3b - 4 - 4# - 1
I should not listen and I <b>shouldn't</b> believe but I do	
Yes I do	
She turns me on	7b - 1 - 3b - 4
She makes it real	6m - 7b - 1 - 3b - 1
I have to apologize	7b - 1 - 3b - 4
For the way I feel	6m - 7b - 1 - 3b - 1
My life it <b>seems</b> has taken a turn	
Why in the <b>name</b> of god would I e-ver want to return	
Peel off our skin we're gonna burn what we were to the ground	
F**k in the fire and we'll spread all the ashes around	
I wanna kill away the rest of what's left, And I do	
Yes I do	
She turns me on	
She makes it real	
I have to apologize	
For the way I feel	
And nothing can stop me now	
There is nothing to fear	
And everything I'd ever want	
Is inside of here	
(drums+leafblower only)	
(instrumental)	
Woah woah woah woah	
Inside us here	
Now I just stare into the sun	
And i see everything I've done	
I think I could have been someone	
But I can't stop what has begun	
When everything is said and done	
And there is no place left to run	
I think I used to be someone	
Now I just stare into the sun

Drastic acting, To you we was just practice Sadness, mask it, Hated you with a passion Had it, granted, Baby, I didn't cap it 'Cause it was better than I imagined	
Thought it'd be worse, 'Cause it hurts me But still I can't, See myself with no one else 'Cause it was better than I imagined Hey-hey-hey Better than I imagined Hey-hey-hey	
Trust me, love me, You know I could never make you Stay true, Hate to say it, But it's too late, My Expectations Too low you can't relate to Baby, but I don't blame you Baby, you were the one I always escaped to Dated to, replace you, Maybe I'm just afraid to Phone you, Need you to tell me if it's okay to Is it okay I...	
Thought it'd be worse, 'Cause it hurts me But still I can't, See myself with no one else 'Cause it was better than I imagined Hey-hey-hey Better than I imagined Hey-hey-hey 'Cause it was better than I imagined Hey-hey-hey Better than I imagined Hey-hey-hey	
Hey, uhm... In the scramble to get a flight I lost my phone and... I'm calling you from the hotel phone I couldn't get a flight back to the States I realize you're the only number I know by heart Last time I was here, we were together, remember? I tried to tell you how I felt I... Then you stopped me, you were... Then you said, "Don't ruin it" "Cause this is better than I could have ever imagined" I hope you're okay staying inside I hope you're not lonely And, I'll call again Maybe you'll answer 'Cause this is better than I could have ever imagined

How Deep is Your Love (Bee Gees 1977 / Lulu)

I see your eyes in the mornin' sun	2m <sup>7</sup> – 5 <sup>9</sup>

	2m <sup>7</sup> – 5 <sup>11</sup> (– 5 <sup>7</sup> )
When you dance, with, me, like a summer breeze	4M – 3m <sup>7</sup>
Keep me warm in your love till the autumn leaves	2m <sup>7</sup> – 7b <sup>7</sup>
How would you like to show	3m <sup>7</sup> – 5 <sup>11</sup>
How pure is your love?	
... is your (3) love? How pure is your love?	1M (– 1 <sup>7</sup> )
I'd really like to learn	4M – 4m <sup>6</sup>
'Cause we're livin' in a world of truth, blurred by the lines	1M – 7b <sup>6</sup>
That try to come between	(6 <sup>7</sup> ,b9 –) 6 <sup>7</sup>
This connection of you and me	2m <sup>7</sup> – 4m <sup>6</sup>
(2x2)	
I believe in unity	
The oneness of all our souls	
We are the light in the deepest, darkest night	
We lift each other up when we fall	
And you may not know what a gift you are	
When you know at the core that you're made of stars	
And soon you'll see the light	
How bright is this love?	
... is this love? How bright is this love?	
Shining' like the stars above	
'Cause we're tumblin' through the galaxy	
Spinnin' around	
On this planet earth we roam	
May be messy but, hey it's home	
Na-na-na-na-na	
(4x2)	
As I walk my way on this rocky path	
Keeping friends by my side, I will surely last	
And it's you I long to show	
How strong is this love?	
How strong is this love?	
I really mean to prove	
'Cause we're livin' on the edge of NOW	
Each moment counts	
Sometimes we just let it be	
Step aside and let it go free	
With a sigh we breathe

You don't know, babes  
When you hold me  
And kiss me slowly  
It's the sweetest thing  
And it don't change  
If I had it my way  
You would know that you are

(1a) You're the kisses that I love in the morning  
You're my sunshine in the rain when it's pouring  
Won't you give yourself to me  
Give it all

I just wanna (1) see  
(2a) I just wanna see how (2a) beautiful you are  
You know that I see it  
I know you're the stars  
Where you go I follow  
No matter how far  
If life is a movie  
Then you're the best parts, oh oh oh  
You're the best parts, oh oh oh

It's the sunrise  
And those bright eyes, yes  
You're the ones that I desire  
When we wake up  
And then we make love  
My heart, it feels at home

(1a) You're my water when I'm stuck in the desert  
You're the Tylenol I take when my head hurts  
You're the sunshines of my life

(2a) I just wanna see how ^ beautiful you are

# Shattered Dreams (Johnny Hates Jazz) D

So much for your promises	1m7 – 5m7
They died the day you let me go	6bM – 4m7
Caught up in a web of lies
